

Glenn Kaiser, Long Way From My Home

Tonight I am missin' you
Oh, tonight I am missin' you
In the light of day
I had lost my way
An' tonight I am missing you
Never thought I would come this far
I never thought I would come this far
I have come through such pain
In the strength of your Name
Never thought I would come this far
I am a long, long way from my home
I am a long, long way from my home
I've been a pilgrim on this earth
Since the day of my birth
I'm a long way from my home
Tonight I'm sittin' on this porch in the rain
Tonight I'm sittin' on this porch in the rain
But Hallelujah by and by
I will meet you in the sky
I'm still a long, long way from home
