

# Gloria Estefan, You'll Be Mine (Party Time)

When the sun is setting in the sky  
Everybody knows it's party time  
And when the moon is  
Rising high  
I'll be yours, I know you will be  
Mine (party time)

All day the world goes round  
& round  
You can feel the changes  
Coming down  
It doesn't matter who you are  
With love to give you will go far

We see the treasures all around  
And burn ourselves into  
The ground  
Everyone's is trying to survive  
We're not just born to be alive

I know  
What I feel inside is true  
You know  
Every road I follow's leading  
Me to you

When the sun is setting in the sky  
Everybody knows it's party time  
And when the moon is rising high  
I'll be yours, I know you'll be mine  
(party time)

We live our lives in mystery  
While everything is meant to be  
No reason here to wonder why  
All that we seek is in the sky

You are the one I want to hold  
I feel you deep inside my soul  
Only our love will set us free  
This night belongs to you and me

I know  
What I feel inside is true  
You know  
Every road I follow's leading me to you

When the sun is setting in the sky  
Everybody knows it's party time  
And when the moon is rising high  
I'll be yours, I know you'll be mine  
(party time)

I know, you know  
Every road I follow's leading me to you

When the sun is setting in the sky  
Everybody knows it's party time  
And when the moon is rising high  
I'll be yours, I know you'll be mine

When the sun is setting in the sky  
Everybody knows it's party time  
And when the moon is rising high

I'll be yours, I know you'll be mine
