

Godfathers, Walking Talking Johnny Cash Blues

Well I took some speed I thought it was what I'd need
Yeah I took some speed I thought it was what I'd need
Well step inside my shoes I got the
Walking talking Johnny Cash Blues
Yeah I'm dressed in black there ain't no looking back
Yeah I'm dressed in black there ain't no looking back
Well come on and hear the news I got the
Walking talking Johnny Cash Blues - dig it
I phoned Marie Marie I said why don't you talk to me
I got fifty thousand questions
Can't you answer just one please?
She said all you need to know is darling I'll be true
And if you call me in the morning maybe I will talk to you
She said I know what's wrong with you you got the
Walking talking Johnny Cash Blues - kick it
Well I took some speed I thought it was what I'd need
Yeah I took some speed I thought it was what I'd need
Well step inside my shoes I got the
Walking talking Johnny Cash Blues
