Sobody help me
Is there somebody out
I can't let go

Sobody help me
Is there somebody out
I can't let go

My heart is pounding loud
I don't knowe where to start
Can't do this no more

I wanna run away tonight

ESP

Sobody help me
Is there somebody out
I can't let go

Sobody help me
Is there somebody out
I can't let go

My heart is pounding loud
I don't knowe where to start
Can't do this no more

I wanna run away tonight
