## Golden Earring, Another 45 Miles

Here comes the night A veil over the light In the distance some shadows of the clouds in the sky I've got to get home To my child, my wife

Here comes the night I'm scared to death Got to get me a ride It looks like the road is swallowing me up Gotta hurry home Don't dare to look back Blueville is straight ahead

Another 45 miles to go Another 45 miles before I'm home I wish that the sunlight was burning in my eyes Instead of shades black faces of the sky Another 45 miles to go Another 45 miles before I'm home I wish i could pay the sun to run Then I had some more time, with my wife, my son

Clouds in the sky Gathering for a fight Chasing their prey, till it can't go on I mend my pace, 'cos my bride is waiting home Here comes the night I'm scared to death Got to get me a ride It looks like the road is swallowing me up Gotta hurry home Don't dare to look back Blueville is straight ahead
