

Golden Earring, Tiger Bay

From the Album:

* No promises no debts

Tiger tiger bay watch the shadow play
Tiger tiger bay what's on the menu today
You got hungry again
Gotta make some plans every tiger needs a naked prey
Antelope on the run
Tiger got a piece of an x-ray gun
Antelope on the run
I want I want it
Freeze baby freeze
Danger on the breeze
Squeeze my knee
Hard as you can
Freeze baby freeze
Danger on the breeze
This is your man on the spot
Taking off
Tiger tiger bay catch the shadow play
Tiger tiger bay scratch bite and slay
So hungry again
Never can tell when every tiger needs a naked prey
