

# Goldfrapp, Laurel

Looking for light  
A golden light  
Red red hair  
And almond eyes

Searching for love  
A wallet's hot  
The price is right  
It's money for love

Looking for light  
A golden light  
With your red red hair  
And almond eyes

Laurel you came here

Looking for light  
A golden light  
With your red red hair  
Your almond eyes

Strange how he's cold  
Behind the smile  
An angry mind  
Don't wait for tonight

Lying for lies  
A golden lie  
Your red red hair  
Your almond eyes

Laurel you came here  
Laurel came here

Fear is a fog  
Rolling in and around

Laurel whispers from inside  
Laurel running out of time
