

Goldfrapp, Ocean (Feat. Dave Gahan)

i've lost the will too
i've lost my way
I've lost this ocean
It poisoned me

people collector /2x
I'm on the move
for you

wouldn't lie
wanna be your....

I borrowed bones
I borrowed skin
to save me from the hell I'm in
your fantasy
and every time I think of you
I see the dark
I hear their hooves
they're coming
they're coming for you

i've lost the will too
i've lost my way
I've lost this ocean
I poisoned me
