

# Goldfrapp, Thea

Across a starless sky  
It cuts like tiny knives  
Rain beating down  
Rain beating down

Blunt uneasy glare's  
They've nothing on you or me yet  
Night's have alone  
Night's here are cursed

There's wild in your eyes oh Thea  
There's a light there's a feeling  
It's cruel and its dark in this town  
Are they mad were we dreaming

Tender and town  
Won't leave you now

Wanted you so bad  
I feel like I'm caught with no air  
Wanted you gone  
Wanted you there

There's wild in your eyes oh Thea  
There's a light there's a feeling  
It's cruel and its dark in this town  
Are they mad were we dreaming

Tender torn sundown on Isthmus  
It's all for you oh hungry moon  
It's a long long night of waiting  
All for you oh hungry moon

Tender torn sundown on Isthmus  
All for you oh hungry moon  
It's a long long night of waiting  
I want you there I want you gone
