

Goldie Hill, I'll Never Be Free

Each time I hold somebody new my arms grow cold aching for you
No one can take your place darling in my embrace I'll never be free
And when my lips burn with desire no other's kiss can put up the fire
Though I may try and try no one can satisfy this longing in me

I'll never be free from your smile so tender the sweet surrender in your eyes
How can I be free when I still remember how you could thrill me with a sigh
Just like a chain bound to my heart your love remains when we're apart
Each kiss I gave to you made me a slave to you I'll never be free
I'll never be free from your smile...
