

# Good Rats, Tough Guys

(Machine gun fire)

Eddie, I'll always remember  
The way that you handled the good and the bad  
Mother of mercy  
Is the end of Rico  
Oh, no

CHORUS

Tough guys (tough guys)  
Always benn my kind of men (tough guys)  
D-d-doin' the things that I can't  
Tough guys

Look at the way Jimmy treats them  
Pushing a grapefruit  
Right into her face  
&quot;You dirty rats, I'm gonna get you for that&quot;, he says  
He sighs

CHORUS

Let's not ignore  
The greatest of all  
Ladies and gentlemen  
Spencer Tracy

Bogie I've always dug your crowd  
The fat man and Peter  
And Claude and the rest

Play it again, Sam  
These falcons have gone  
To their nest  
Oh, yes

CHORUS (2x)
