

# Gordon Lightfoot, Harmony

Harmony, oh harmony  
Where are you tonight, where are you tonight  
Harmony, oh harmony  
Have you gone away, have you gone to stay  
If you pass me by I will miss you  
And if you can cry I can cry too

Harmony, oh harmony, where are you tonight, where are you tonight  
Harmony, sweet harmony, have you gone astray, have you gone away  
If you'd ask me why I will miss you, it's a part of my nature I guess  
Oh harmony, sweet harmony  
Oh where have you gone harmony

Harmony, oh harmony, where are you now, where are you right now  
Harmony, oh harmony, oh where have you gone, the hours are so long  
If you pass me by I will miss you and if you can cry I can cry too

Harmony, oh harmony, I'm holding on tight, do you read me write  
Harmony, oh harmony, don't ever let go, don't ever let go  
If you'd ask me why I will miss you, it's a part of my nature I guess  
Oh harmony, sweet harmony, oh what have we done harmony

If you pass me by I will miss you and if you can cry I can cry too  
Harmony, sweet harmony, oh where have you gone, what have we done  
Where have you gone harmony
