Gorgoroth, Possessed By Satan

Standing proud in the never ending glare Of the churches, burning in the name of Satan Like a thorn in the eye of God

The Sons of Satan are fighting in this Holy War It has begun, no one thought that you would survive to see the new millennium

Kill the Priest, burn the Jew, The Holy Trinity will be crushed By the Son of the Dark Lord Of this world

Possessed by Satan

Never ending blasphemy, kill, manipulating in the name Of the pentagram Even (???) chosen Satan to fight against the Solemn God Evil prevails over good/church Evil lies around every corner

World wide revolution has occurred Holy War, execution, sodomy
