

Gorilla Biscuits, Good Intention

Things I try don't work out.
Other people gripe and shout.
That's not positive. I'm
Not perfect.
I'm just Civ.
Trial and error...Good Intentions!
Throw a beer at the stage,
That's how you behave.
Paid admission, had no fun.
You think I'm the stupid one.
Think again...Good Intentions!
I'll just try my best...and you?
Nothing.
