

Gorillaz, Every Plant We Reach Is Dead

I lost my leg like I lost my way
So no loose sounds
Nothing to see me down
How are we going to work this out?

Dreams aren't bad, I had turned back
I love the gun
But God only knows its
Getting hard to see the sun coming through
I love you...
But what are we going to do?

Picture I'm a dreamer

I'll take you deeper
Down to the sleepy glow
Where time is a low..
Don't you know?
What are we going to do?

When you go back
All the second selfless days
You're in love with him
I want to see you again
I love you...
But what are we going to do?
