

Gorillaz, Latin Simone

Get up
If you wanna survive
Get oh so alive
In your life
Everything falling out the sky on top of you
Now what you do
Fill yourself up now
It's the love of your life
[?] on me
All I know
Before it's gone
I always feel scared in the town
And nothing's wrong
What's the matter with me?
What's the matter with me?
Me
Give up
If you wanna survive
Pick the sun back up
You got to get on the song lowly
What's the point?
It's funny 'til you left to kill yourself
In this town
So what's the matter with me?
What's the matter with me?
What's the matter with me?
What's the matter with me?
Me
