

# Gorillaz, Latin Simone (Feat. Damon Albarn)

Get up, if you wanna survive  
Get oh so alive  
In your life  
Everything  
Falling out the sky on top of you  
Now what you do?  
Fill yourself up now  
It's the love of your life  
(?) on me  
All I know  
Before it's gone  
I always feel scared; in the down  
And nothing's wrong  
What's the matter with me?  
What's the matter with meee...  
Give up, if you wanna survive  
Pick the sun back up  
You go  
To get on the song  
Low-ly  
What's the point?  
It's funny 'til your left  
To kill yourself  
In this town  
So what's the matter with meee?  
What's the matter with me?  
What's the matter with me?  
What's the matter with meee...
