

# Gorillaz, O Green World

O green world,  
Don't desert me now  
Bring me back to fallen town  
Where someone is still alive

Fighting for something new in this  
When no one needs the heart of me and I'll  
Get out somewhere other than me before...

(than me before...)

O green world  
Don't deserve me now  
I'm made of you and you of me  
But where are we?  
Oh no

Sells to lie  
Phone with talk, you stars  
Suppose you  
Down when you're in fast  
Cause it seems so little to you

But now you're in love, you know  
You know, me too  
You know, me too  
I hope sex and drugs rust into my self, holy  
It feels holy  
It feels like you're with your father in the place you love...
