Taking you to  
Another landscape  
Its my mandate  
Im highly animated even though Im decomposing  
So if your feet is frozen im a die to see you ropin?

And when the mc rhyme and the dj spin  
I want yall to just get down  
Now when the mc rhyme and the dj spin  
I want yall to just get down  
And when the mc rhyme and the dj spin  
I want yall to just get down  
Now when the mc rhyme and the dj spin  
I want yall to just get down

Tap your toes and clap your hands  
(how many people ready to rock the house )  
Come on trace the globe and shake your pants  
(how many people ready to rock the house )  
Just twist your hip and do the dip  
(how many people ready to rock the house )  
Come on shake and bake do whatever it takes  
(how many people ready to rock the house )

Graviational pull  
I have you making a fool  
Out of yourself on the dance floor  
Doing back spins running man and more  
Party down with viggas and candor  
Coming to the jam  
Or look like a landlubber  
And do the aqua boogie  
Win lots of goodies maybe  
Pop a gucci wallet turntables is talking to me  
Its awfully groovy  
Seeing all the treasure and the booty

And when the mc rhyme and the dj spin

Now when the mc rhymin and the dj cuttin  
I want yall to just get down  
And when the mc rhyme and the dj spin

I wanna get down lower than atlantis  
Going toe to toe with an enchantress  
Get funky weve been funkadelic wearin pampers  
While you eggheads is on the wall preparin answers  
Sharing transcripts while we over here  
Dipping and dancin  
Rhythm romancin  
Wallflowers  
Giving no action no  
All hours we chillin and max the flow  
Relaxing  
Opposites attracting  
Im a toss my hat in  
Floss when the track spin  
Like Im on a crack bend  
Jigging and wiggling  
Frigen booties speakin to the cuties so belligerent  
No religion just bump the feed on  
Youll feel reborn  
Negativity we just dead it like decoy  
Better lift your feet and just measure the beat on  
The pulse when it respawns

Tap your toes and clap your hands  
(how many people ready to rock the house )  
Come on trace the globe and shake your pants  
(how many people ready to rock the house )  
Just twist your hip and do the dip
