

# Gorillaz, Silent Running (feat. Adeleye Omotayo)

Stop, cause you're killing me  
You brought me back and made me feel free  
Rowdy waves and your energy  
You brought me from the wreckage found in  
I got so lost here  
Machine assisted I disappear  
Into a dream you don't wanna hear  
How I got caught up in no where again

Hey!  
It feels like I've been Silent Running  
Through the infinite pages I scroll up  
Searching for a new world  
The waste of the sunrise  
I'm Silent Running  
Run run running  
Run run running  
Run run running (Back to you)  
Run run running  
Run run running (Back to you)  
Run run running (Back to you)  
Run run running (I'm Silent Running)  
Run run running  
Run run running  
Run run running

Stop, or you' make me cry (Make me cry)  
I think it's time that I decide (I decide)  
What I've done when I've trip and fly (Trip and fly)  
The wave is taking me (Taking me)  
Cause there's no way out of here (There's no way out)  
In the labyrinth I disappear (No one here)  
To the dark fleet that got me here (There's no way out)  
How I got caught up in no where again

Hey!  
It feels like I've been Silent Running  
Through the infinite pages I scroll up  
Searching for a new world  
The waste of the sunrise  
I'm Silent Running

Here we go  
Searching for gold  
You make me feel so alive (I'll never be)  
Demons here (I'll never see)  
That I had (I'll never sigh)  
(To be gold) (Too far to sigh)

Silent Running (Oh, Oh, Running)  
I'm Silent Running  
Run run running  
Run run running (Oh)  
Run run running  
Run run running  
Run run running (Back to you)  
Run run running (Back to you)  
Run run running (I'm Silent Running)

I trip and fly (Trip and fly)  
There's no one there (No one there)  
There's no way out (No way out)  
Trip and fly (Trip and fly)  
'Cause I'm inside (Oh, Oh)
