Gossip, Yr Mangled Heart

If everything you do has got a hold on me Then everyhting I do has got a hole in it I've been here before, I should be used to it But I can't take it no more, I can't take it no more oh whoah

Your mangled heart
Your battered love
It's hanging on to memories
You're letting go
Of everything that used to be
I've had enough
You built me up
To let me down
