

Gothminister, Thriller

It's close to midnight
something evil's lurkin' from the dark
Under the moonlight
You see a sight that almost stops your heart
You try to scream
But terror takes the sound before you make it
You start to freeze
As horror looks you right between the eyes
You're paralyzed

'Cause this is thriller
Thriller night
And no one's gonna save you
From the beast about to strike
You know it's thriller
Thriller night
You're fighting for your life
Inside a killer
Thriller tonight

You hear the door slam
And realize there's nowhere left to run
You feel the cold hand
And wonder if you'll ever see the sun
You close your eyes
And hope that this is just imagination
but all the while
You hear a creature creepin' up behind
You're outta time

'Cause this is thriller
Thriller night
There ain't no second chance
Against the thing with the forty eyes
Thriller
Thriller night
You're fighting for your life
Inside a killer
Thriller tonight

Night creatures call
And the dead start to walk in their masquerade
There's no escaping the jaws of the alien this time
This is the end of your life

They're out to get you
There's demons closing in on every side
They will possess you
Unless you change that number on your dial
Now is the time
For you and I to cuddle close together
All through the night
I'll save you from the terror on the screen
I'll make you see

That this is thriller
Thriller night
'Cause I can thrill you more
Than any ghoul would ever dare try
Thriller
Thriller night
So let me hold you tight
And share a

'Cause this is thriller
Thriller night
And no one's gonna save you
From the beast about to strike
You know it's thriller
Thriller night
You're fighting for your life
Inside a killer
Thriller tonight

The foulest stench is in the air
The funk of forty thousand years
And grizzly ghouls from every tomb
Are closing in to seal your doom
And though you fight to stay alive
Your body starts to shiver
for no mere mortal can resist
the evil of the thriller
