

Gourds, Sweet Lil Lub

I used to get hungry, used to get perfumed

Used to get weak kneed when I'd play

Used to get hogtied, used to get sanctified

Used to get whiskey (scotch) and I'd say

Used to get a liar, used to get sanctified

Used to be jesuslike in my actions

Used to be harmonius, I used to pray to the ground

Used to pass judgement all around

I got a sweet little love in my heart
