

# Granddaddy, Away Birdies With Special Sounds

I woke up in the morning  
And they were gone  
I look around for them  
But they're nowhere  
I woke up in the morning  
And I looked everywhere  
But I think they've gone away  
I think they gone away  
I looked everywhere for them  
But they've gone  
I do not know why they've gone away  
I do not want them to go away  
I woke up in the morning  
And they were gone  
And I do not want them to go away
