

Grandaddy, For The Dishwasher

Ride your bike all night and give your heart a break

And give your head a shove and fuck that
Subject love, you'll get another chance someday

Ride your bike 'till dawn and keep your lantern on

Computers in the sun, not one with power on
All alone and no one's won.

For the dishwasher who rides home late tonite
It will be alright just get to sleep tonite,
You'll get another chance someday.
