

Granddaddy, Gentle Spike Resort

And liars got that corner now
And they've got flyers everywhere
With ex-school treasures for hire
And whitesnake riffs dressed up like Sid Viscosity
like Sid Viscosity
As lice is living in your practice room couch
You're not the only one who's doing without
Daddy doctor's son punk rocker shouts
Dad the A.C.'s broke in our hardcore punk rock vacation
vacation rehearsal house

Now, now, now
We'll get right on that
I'm sure it's just the thermostat
I'll buy your band a few twelve packs
But your mother wants her bracelets back

clack, clack, clack
shhhh
