

Grandaddy, Pull the Curtains

Pull the curtains on the day
(aaaaaaaaaaaaaaaaah)
Sometimes it is the only way
(aaaaaaaaaaaaaaaaah)

Pull the curtains on the day
Sometimes it is the only way

Pull the curtains on the night
Sometimes it isn't worth the fight

Sometimes you gotta turn it off
Man, you gotta walk away
And then sometimes you gotta say
"This is gonna be the day";

Sometimes you gotta turn it off
Yeah, you gotta walk away
And then sometimes you gotta say:
"There ain't no other fuckin' way";

Sometimes you gotta turn it off
Man, you gotta walk away
And then sometimes you gotta say:
"This is gonna be the day";

Sometimes you gotta turn it off
Yeah, you gotta walk away
And then sometimes you gotta say:
"There ain't no other fuckin' way";

Pull the curtains on the day
(aaaaaaaaaaaaaaaaah)
Sometimes it is the only way
(aaaaaaaaaaaaaaaaah)
(the way, the way, the way, the way)

Well pull the curtains on the night
Sometimes it isn't worth the fight

Just to feel alright
Just to feel alright
Just to feel alright
Just to feel alright
Just to feel ALRIGHT!
