## Grandaddy, Revolution

You say you want a revolution Well you know We all want to change the world

You tell me that it's evolution Well you know We all want to change the world

But when you talk about destruction Don't you know that you can count me out

You know it's gonna be all right You know it's gonna be all right You know it's gonna be all right

You say you got a real solution Well you know We'd all love to see the plan

You ask me for a contribution Well you know We're all doing what we can

If you want money for people with minds that hate All I can tell you is brother you have to wait

You know it's gonna be all right You know it's gonna be all right You know it's gonna be all right

You say you'd change the constitution Well you know We'd all love to change your head You tell me it's the institution Well you know You better free your mind instead

But if you go carrying pictures of Chairman Mao You ain't gonna make it with anyone anyhow

You know it's gonna be all right You know it's gonna be all right You know it's gonna be all right

(Repeat)
