grandson, Riptide

I have done bad things
Did tchem to good people
Got no self-control

It's the root of my evil
Wage war in my head
When i am tryna keep it peaceful
A little feels good
A littel more gets lethal
Save me from myelf

I been caught up in the rip tide
For too long
Cuz ot's all i know
I been letting this shit slide
These nad habits they die too slow
caught up in the rip tide
For too long
Cuz ot's all i know
I been letting this shit slide
If you love me , let me go
