

# Green Day, 86

What brings you around?  
Did you lose something the last time you were here?  
You'll never find it now  
It's buried deep with your identity

So stand aside and let the next one pass  
Don't let the door kick you in the ass

There's no return from 86  
There's no return from 86  
There's no return from 86  
There's no return from 86  
Don't even try...

Exit out the back  
And never show your head around again  
Purchase your ticket  
And quickly take the last train out of town

So stand aside and let the next one pass  
Don't let the door kick you in the ass

There's no return from 86  
There's no return from 86  
There's no return from 86  
There's no return from 86  
Don't even try...

There's no return from 86  
There's no return from 86  
There's no return from 86  
There's no return from 86  
Don't even try...
