

Green Day, Disappearing Boy

Now you see me, now you don't
Don't ask me where I'm at
'Cause I'm a million miles away
Treated like a forbidden heel
Don't say my thoughts are not for real
Or you won't see me again

Am I here or am I there
Or am I playing on the stairs
Am I in my room with my toys
I am the disappearing boy

When I walk in crowded rooms
I feel as if it is my doom
I know that I don't belong
In that room I see her
I see her and she's with him
I turn and then I'm gone

Don't call me up 'cause I'm not home
My whereabouts are now unknown
I vanished from all your joy
I'm the disappearing boy

I have my doubts
Of where I belong
It's something to think about

Don't call me up 'cause I'm not home
My whereabouts are now unknown
I vanished from all your joy
I'm the disappearing boy
