

Green Day, Emenius Sleepus

I saw my friend the other day and I don't know
Exactly just what he became
It goes to show
It wasn't long ago
I was just like you
And now I think I'm sick and I wanna go home

How have I been, how have you been
It's been so long
What have you done with all your time
And what went wrong

I knew you back when
And you ... you knew me
And now I think I'm sick and I wanna go home

Anybody ever say no?
Ever tell you that you weren't right?
Where did all the little kid go?
Did you lose it in a hateful fight?
And you know it's true

It wasn't long ago
I was just like you
And now I think I'm sick and I wanna go home
