Green Day, Geek Stink Breath

I'm on a mission
I made my decision
To lead a path of self destruction
A slow progression
Killing my complexion
And it's rotting out my teeth

I'm on a roll
No self control
I'm blowing off steam with methamphetamine
Don't know what I want
That's all that I've got
And I'm picking scabs off my face

Every hour my blood is turning sour And my pulse is beating out of time I found a treasure filled with sick pleasure And it sits on a thick white line

I'm on a roll
No self control
I'm blowing off steam with methamphetamine
Don't know what I want
That's all that I've got
And I'm picking scabs off my face

I'm on a mission I've got no decision Like a cripple running the rat race Wish in one hand shit in the other And see which one gets filled first

I'm on a roll
No self control
I'm blowing off steam with methamphetamine
Don't know what I want
That's all that I've got
And I'm picking scabs off my face
