

# Green Day, Having A Blast

I'm taking all you down with me  
Explosives duct taped to my spine  
Nothings gonna change my mind

I won't listen to anyone's last words  
There's nothing left for you to say  
Soon you'll be dead anyway

No one here is getting out alive  
This time I've really lost my mind and I don't care  
So close your eyes  
And kiss yourself goodbye  
And think about the times you spent and what they've meant  
To me its nothing...

I'm losing all my happiness  
The happiness YOU pinned on me  
Loneliness still comforts me

My anger DWELLS inside of me  
I'm taking it all out on you  
And the shit you put me through

No one here is getting out alive  
This time I've really lost my mind and I don't care  
So close your eyes  
And kiss yourself goodbye  
And think about the times you spent and what they've meant  
To me its nothing...

Do you ever thing back to another time?  
Does it bring you so down that you thought you lost your mind?  
Do you ever want to lead a long trail of destruction  
and mow down any BULLSHIT that comfronts you?  
Do you ever build up all the small things in your head?  
To make one problem that adds up to NOTHING  
To me its nothing...
