

# Green Day, J.A.R. (Jason Andrew Relva)

My friend drove off the other day  
Now he's gone and all they say  
Is you gotta live cause life goes on  
But now I see I'm mortal too  
and I cant live my life like you  
Gotta live it up while life goes on

And I think it's alright  
That I do what I like  
Cause thats the way I wanna live  
Its how I give  
And I'm still giving

And now I wonder bout my friend  
And if he gave all he could give  
Cause he lived his life like I live mine  
If you could see inside my head  
Then you would start to understand  
The things I value in my heart

And I think it's alright  
That I do what I like  
Cause thats the way I wanna live  
Its how I give  
And I'm still giving

You know that  
I know that  
You're watching me

And I think it's alright  
That I do what I like  
Cause thats the way I wanna live  
Its how I give  
And I'm still giving

Gotta make a plan  
Gotta do what's right  
Can't run around in circles  
If ya wanna build a life  
But I don't wanna make a plan  
For a day far away  
While im young and while I'm able  
All I wanna do is...
