

# Green Day, One Of My Lies

When I was younger I thought the world circled around me  
But in time I realized I was wrong  
My immortal thoughts turned into just dreams of a dead future  
It was a tragic case of my reality

Do you think you're indestructible  
And no one can touch you  
Well I think you're disposable  
And it's time you knew the truth...

'Cause it's just one of my lies!  
Well, it's just one of my lies  
And all I wanted to was get real high  
Well, it's just one of my lies

Why does my life have to be so small?  
Yet death is forever  
And does forever have a life to call its own?  
Don't give me an answer 'cause you  
Only know as much as I know  
Unless you're been there once  
Well I hardly think so

Do you think you're indestructible  
And no one can touch you  
Well I think you're disposable  
And it's time you knew the truth...

'Cause it's just one of my lies!  
Well, it's just one of my lies  
And all I wanted to was get real high  
Well, it's just one of my lies

I used to pray all night  
Before I lay myself down  
My mother said it was right  
Her mother said it too...  
Why?
