Green Day, Pulling Teeth

I'm all busted up
Broken bones and nasty cuts
Accidents will happen
But this time I can't get up
She comes to check on me
Making sure I'm on my knees
After all she's the one
Who put me in this state

Is she ultra-violent?
Is she disturbed?
I better tell her that I love her
Before she does it all over again
Oh god, she's killing me!!!

For now I'll lie around hell, that's all I can really do She takes good care of me Just keep saying my love is true

Is she ultra-violent?
Is she disturbed?
I better tell her that I love her
Before she does it all over again
Oh god, she's killing me!!!

Looking out my window for Someone that's passing by No one knows I'm locked in here All I do is cry

For now I'll lie around hell, that's all I can really do She takes good care of me Just keep saying my love is true
