

# Green Day, Stray Heart

I've said it a thousand times  
And now a thousand more

We'll never part  
I'll never stray again from you  
As always just you  
Go home to your heart

We'll never part  
I'll never stray again from you  
You're not alone  
Oh oh and I'm where I belong  
Without a home  
Oh oh I'll hold your heart and never let go

Everything I want  
I want from you  
But I just can't have you

Everything I need  
I need from you  
But I just can't have you

Without a home  
Oh oh and I'm where I belong  
Without a home  
Oh oh I'll hold your heart and never let go

Everything I want  
I want from you  
But I just can't have you

Everything I need  
I need from you  
But I just can't have you

Everything I want  
I want from you  
But I just can't have you

Everything I need  
I need from you  
But I just..  
Just can't have you
