

# Green Day, The One I Want

Sitting in my room last night  
Staring at the mirror  
I couldn't find a reason why  
I couldn't be near her

'Cause you are the one that started  
To make me feel this way  
And every night I'm thinking  
About the words you'd say

Pictures going through my mind  
When we're together  
All these long and sleepless nights  
Will I ever get better

'Cause you are the one that started  
To make me feel this way  
And every night I'm thinking  
About the words you'd say  
'Cause you are THE ONE THAT I WANT

Now you know how I feel  
This love is forever  
You make my life seem so unreal  
Will I ever get better? ...

'Cause you are the one that started  
To make me feel this way  
And every night I'm thinking  
About the words you'd say  
'Cause you are THE ONE THAT I WANT
