

# Green Day, Walking Contradiction

Do as I say not as I do because  
The shit's so deep you can't run away  
I beg to differ on the contrary  
I agree with every word that you say  
Talk is cheap and lies are expensive  
My wallet's fat and so is my head  
Hit and run and then I'll hit you again  
I'm a smart ass but I'm playing dumb

Standards set and broken all the time  
Control the chaos behind a gun  
Call it as I see it even if  
I was born deaf, blind and dumb  
Losers winning big on the lottery  
Rehab rejects still sniffing glue  
Constant refutation with myself  
I'm a victim of a catch 22

I have no belief  
But I believe  
I'm a walking contradiction  
And I ain't got no right

Do as I say not as I do because  
The shit's so deep you can't run away  
I beg to differ on the contrary  
I agree with every word that you say  
Talk is cheap and lies are expensive  
My wallet's fat and so is my head  
Hit and run and then I'll hit you again  
I'm a smart ass but I'm playing dumb

I have no belief  
But I believe  
I'm a walking contradiction  
And I ain't got no right

I have no belief  
But I believe  
I'm a walking contradiction  
And I ain't got no right
