

Green Day, Warning

[Verse 1:]

This is a public service announcement, this is only a test
Emergency evacuation protest
May impair your ability to operate machinery
Can't quite tell just what it means to me
Keep out of reach of children, don't you talk to strangers
Get your philosophy from a bumper sticker

[Chorus:]

Warning. Live without warning
Say warning. Live without warning
Without. Alright.

[Verse 2:]

Better homes and safety-sealed communities
Did you remember to pay the utility?
Caution: Police line, you better not cross.
Is it the cop, or am I the one that's really dangerous?
Sanitation, expiration date, question everything.
Or shut up and be a victim of authority

[Chorus:]

Warning. Live without warning
Say warning. Live without warning
Say warning. Live without warning
Say warning. Live without warning
Without. Alright.

[Verse 3:]

Better homes and safety-sealed communities
Did you remember to pay the utility?
Caution: Police line, you better not cross.
Is it the cop, or am I the one that's really dangerous
Sanitation, expiration date, question everything.
Or shut up and be a victim of authority

[Chorus:]

Warning. Live without warning
Say warning. Live without warning
Say warning. Live without warning
Say warning. Live without warning
This is a public service announcement, this is only a test
