

Greenskeepers, Keep It Down

Can you keep it down?

You feel in love
Can you keep it down?
You feel in love
Can you keep it down?
You feel in love

and it won't stop
Can you keep it down
When your heart drops
You feel in love
and it won't stop
Can you keep it down
When your heart drops

Can you keep it down?

You keep'on hoping
Cause time is right
Will your love last?

You feel in love
