

# Gromee, Don't Stop The Party - x IRAIDA

Oh, look what you've done  
I'm callin' my friends  
I don't wanna run  
I think it's tense  
The energy real  
So real, so real  
I see you from across the room  
My heart is waking up boom

boom  
You're watching every single move  
Hey, oh, I like my Dj crazy  
He keeps callin' me baby  
Playing 9 to 9  
Don't stop the party  
Hey, oh, I like my Dj crazy  
He's gonna be my baby  
I love it, my, oh my  
Look into my eyes  
Do you agree  
I'm not telling lies  
I want it all  
And I want it now  
Right now , right now  
I see you  
from across the room  
My heart is waking up boom

boom  
You're watching every single move  
Hey, oh, I like my Dj crazy  
He keeps callin' me baby  
Playing 9 to 9  
Don't stop the party  
Hey, oh, I like my Dj crazy  
He's gonna be my baby  
I love it, my, oh my  
Hey, oh, I like my Dj crazy  
He keeps callin' me baby  
Playing 9 to 9  
Don't stop the party  
Hey, oh, I like my Dj crazy  
He's gonna be my baby  
I love it, my, oh my  
Don't stop the party
