

Gromee, Live for the lights (ft. Ali Tennant)

I live for the lights
Dance for little bit
That's where the magic is
Party till the sun appears
I live for the lights

Maybe I've just been a little bit stressed out
And it's taking control of me
Now I just don't know
Wanna I'm gonna do
And you just don't know what I'm going through

So I wanna dance
I wanna dance
So wanna dance under the lights
So I wanna dance
I wanna dance
So wanna dance under the lights

I live for the lights
Oh, oh!
I live for the lights
Yeah!
Hey, dance for little bit
Dance where the magic is
Party till the sun appears
I live for the lights
Oh, oh!

Yeah, ok!
Than take me out of the VIP
You know me I need about 50 sexy ladies
To put their hands up
So come on and put ya hands up
Fellas put your hands up come on and put
And put your hands up ladies

You got Gromee on the left
And Ali on the right
What a lethal combination you gone get it all night
You gone get it all night
Come on!
