

# Gromee, Open up your heart (feat. Jayden Felder)

Open up your heart oh... /x4

Girl i'm not a liar oh...  
You're my only desire oh...  
You give me all this fire oh...  
Being burned for what i didn't do

Open up your heart... /x4  
and i promise you the world

Open up your heart... my love /x3  
Open up for me

It's official that i love you oh...  
I can't hide it i don't want to oh...  
My love is like a tatoo oh...  
Painted on me like a permanent stain

Girl i'm not a liar oh...  
You're my only desire oh...  
You give me all this fire oh...  
Being burned for what i didn't do

Open up your heart... /x4  
and i promise you the world

Open up your heart... my love /x3  
Open up for me

I don't want to give  
Give you up  
Time is all i need  
To earn your trust  
I don't want to give /x3  
Give you up, give you up

I don't want to give  
Give you up  
Time is all i need  
To earn your trust  
I don't want to give /x3  
Give you up, give you up

Open up your heart... my love /x3  
and i promise you the world  
Open up your heart... my love /x3  
Open up for me

Open up your heart
