

# Gromee, Worth It (ft. ÁSDÍS)

Did you come all this way  
just to sit behind the bar

surrounded by my friends  
and I don't know who you are

and my heart is beating faster

..  
move your body  
show me you can dance  
if you want a chance

You gotta make me want it  
Gotta make it worth it  
Show me what you want  
And I might give it to you  
You gotta make me want it  
Cause baby if I'm honest  
I'm not sure you're ready for what I can do

Don't start the fire  
If you're not ready to get burned  
You gotta make me want it
