

Groove, Bounce

Bounce, when you gotta job to do
Bounce, when it's time for me and you
Bounce, when you gotta go away
Bounce, when you gotta be here, stay
Bounce, love is like an open door
Bounce, when you gotta see me more
Just bounce baby, bounce bounce bounce

Bounce, when you gotta job to do
Bounce, when it's time for me and you
Bounce, when you gotta go away
Bounce, when you gotta be here, stay
Bounce, love is like an open door
Bounce, when you gotta see me more
Just bounce baby, bounce bounce bounce

Bounce, when it's time for me and you
Bounce, when you gotta go away
Bounce, when you gotta be here, stay
Bounce, love is like an open door
Bounce, when you gotta see me more
