

Groove Theory, Never Enough

Boy, in my mind, I see you holdin' me
It's the one, place that you got the time
To give me some love, and it feels so fine
I don't wanna wake up, from my dreamin'
Words, that you say

Don't mean, don't mean a thing
If you can't, start showing me today
That you're gonna try, and I just can't stay
With you by my side

Cause you're not giving enough

Chorus:

Never enough, never enough
You're not giving me love
Giving me love, giving me love love baby

You're not giving enough
Never enough, never enough

You're not giving me love
Giving me love, giving me love love baby

I, don't like to be alone

Especially when I hurry home

And you decided you can't stay around

Am I stuck here with the sound, of my heart beating baby

And my tears are falling

Look, in your heart, and tell me baby

Tell me if you want to play the part

Of someone in love

Have you gone too far, to give me that much

Cause you're not giving enough

{Chorus}

Na na na

Chorus 2:

Never enough, never enough
Giving me love, giving me love love baby

Never enough, never enough
Giving me love, giving me love love baby

Never enough, never enough
Giving me love, giving me love love baby

Never enough, never enough

{Chorus 2} (repeat til end)
