

Grzegorz Hyży, Losing Game

There was a ...

..

This is the way our dreams are all the air

Looking back

Looking back

...

..

I feel like I'm leasing the game

Hold on

leasing the game

leasing the game

..

Call to you

Can you say

We lost...

Looking back

Looking back

...

Left in somewhere there

Looking back

Looking back

Now or Never

.. had before

You will tell

Now or Never

...

.. is over

We will never hide no more
