

Gufs, Stuck

the way it was, the way it is
i don't think much about it
i've tried too hard
to redefine the things in life i want
if you could live inside of me
i don't think you would like it
you're much too late to appreciate
all the things i have lost

i'm stuck in the heart of this
i know in that in time
i'm the one you'll miss

and i don't give a damn what you think about me
the things i've said and done
i don't give a damn what you think about me
the things i have become

if i would bend i'd break in two
i'd rather feel unwanted
you're much too late to appreciate
everything i have become
i've found a better place
you can't come in
so get away

i'm stuck in the heart of this
i know in that in time
i'm the one you'll miss

and i don't give a damn what you think about me
the things i've said and done
i don't give a damn what you think about me
the things i have become

on and on and on and on
on and on and on and on
